# Helpful Heroes

## Things we will learn

I can talk about people at home and school who help me.

I can name different types of people who help others.

I can name some of the equipment that people use to help others

I can describe how the people in my community help others and the things they do in their jobs.

## Sing a song!

### There Are Lots of People to Help Us Song

(Sing to the tune of 'Here We Go Round the Mulberry Bush')

There are people who help us every day,  
Every day, every day.

There are people who help us every day,  
Let's sing a song about them!

There are doctors and nurses to keep us well,  
To keep us well, to keep us well.

There are doctors and nurses to keep us well,  
There are lots of people to help us!

There are firefighters to put out fires,  
To put out fires, to put out fires.

There are firefighters to put out fires,  
There are lots of people to help us!

There are police to look after us,  
To look after us, to look after us.

There are police to look after us,  
There are lots of people to help us!

There are bus drivers to take us places,  
To take us places, to take us places.

There are bus drivers to take us places,  
There are lots of people to help us!

There are teachers to help us learn new things,  
Us learn new things, us learn new things.

There are teachers to help us learn new things,  
There are lots of people to help us!
