

SPACE MEDLEY LYRICS

COUNTING STARS

Lately I been, I been prayin' hard.
Said no more countin' dollars, we'll be countin' stars.
Yeah, we'll be countin' stars.

I see this life like a swingin' vine, swing my heart across the line.
In my face is flashin' signs, seek it out and ye shall find.
Old, but I'm not that old. Young, but I'm not that bold.
And I don't think the world is sold on just doin' what we're told.
I, I feel somethin' so right doin' the wrong thing.
And I, I feel somethin' so wrong when doin' the right thing.

I couldn't lie, couldn't lie, couldn't lie.
Ev'rything that kills me makes me feel alive.

Lately I been, I been losin' sleep
Dreamin' about the things that we could be.
But, baby, I been, I been prayin' hard.
Said no more countin' dollars, we'll be countin' stars.

Lately I been, I been losin' sleep
Dreamin' about the things that we could be.
But, baby, I been, I been prayin' hard.
Said no more countin' dollars, we'll be, we'll be countin' stars.

Take that money, watch it burn.
Sink in the river the lessons I've learned. X 4

Ev'rything that kills me makes me feel alive.

Lately I been, I been losin' sleep
Dreamin' about the things that we could be.
But, baby, I been, I been prayin' hard.
Said no more countin' dollars, we'll be, we'll be countin' stars.

Take that money, watch it burn.
Sink in the river the lessons I've learned. X 4

SPACE ODDITY

Ground control to Major Tom, ground control to Major Tom.

Take your protein pills and put your helmet on.
Ground control to Major Tom, commencing countdown, engines on.
Check ignition and may God's love be with you..

Aw_____

This is ground control to Major Tom, you've really made the grade
And the papers want to know whose shirts you wear.
Now it's time to leave the capsule if you dare.

This is Major Tom to ground control, I'm stepping through the door
And I'm floating in a most peculiar way and the stars look very different today.

For here am I sitting in my tin can, far above the world,
Planet Earth is blue and there's nothing I can do.

Ba ba ba, ba ba X 4

Ground control to Major Tom X 2

FIREFLIES

You would not believe your eyes, if ten million fireflies lit up the world as I fell asleep.
'Cause they fill the open air and leave teardrops everywhere,
You'd think me rude but I'd just stand and stare.

I'd like to make myself believe that Planet Earth turns slowly.
It's hard to say that I'd rather stay awake when I'm asleep,
'Cause everything is never as it seems.

'Cos I get a thousand hugs, from ten thousand lightning bugs as they tried to teach me how to
dance.

A foxtrot above my head, a sock hop beneath my bed,
A disco ball just hanging by a thread.

I'd like to make myself believe that Planet Earth turns slowly.
It's hard to say that I'd rather stay awake when I'm asleep,
'Cause everything is never as it seems.

When I fall asleep.

ROCKET MAN

I miss the earth so much. I miss my wife,

It's lonely out in space on such a timeless flight.

And I think it's gonna be a long long time
'Til touchdown brings me 'round again to find
I'm not the man they think I am at home.
Oh no, no, no, I'm a rocket man.
Rocket man burning out his fuse up here alone.

Mars ain't the kind of place to raise your kids,
In fact it's cold as hell.
And there's no one there to raise them if you did.

And I think it's gonna be a long long time
'Til touchdown brings me 'round again to find
I'm not the man they think I am at home.
Oh no, no, no, I'm a rocket man.
Rocket man burning out his fuse up here alone.
And I think it's gonna be a long, long time.

STAR GIRL

Hey, I'm looking out for my star girl.
I guess I'm stuck in this mad world with things that I wanna say.
But you're a million miles away.

And I was afraid when you kissed me, on your intergalactic frisbee.
I wonder why, I wonder why, you never asked me to stay.

Ooo, so wouldn't you like to come with me?
Ooo, surfin' the sun as it starts to rise.
Ooo, woah, your gravity's making me dizzy.
Girl, gotta tell ya, feel much better.
Dance the night away in the moonlight.

REWRITE THE STARS

What if we rewrite the stars?
Say you were made to be mine?
Nothing could keep us apart, you'd be the one I was meant to find.
It's up to you and it's up to me,
No-one can say what we get to be.
So why don't we rewrite the stars?
Baby the world could be ours tonight?

FLY ME TO THE MOON

Bah bah dee ah, bop bah bah bee ah.
Bah doo bee ah bah doo dah, bop bah bah dee ah, bah dee ah.

Fly me to the moon and let me play among the stars;
Let me see what spring is like on Jupiter and Mars.
In other words, hold my hand!
In other words, darling, kiss me!

Fill my heart with song, and let me sing forever more;
You are all I long for, all I worship and adore.
In other words, please be true!
In other words, I love you!

Bah bah dee ah, bop bah bah dee ah, bah dee ah. Bah bah!

RULE THE WORLD

You light the skies up above me, a star so bright, you blind me, yeah yeah.
Don't close your eyes, don't fade away, don't fade away, oh!

Yeah, you and me, we can ride on a star, if you stay with me girl, we can rule the world.
Yeah, you and me, we can light up the sky, if you stay by my side we can rule the world.

All the stars are coming out tonight, they're lighting up the sky tonight, for you, for you. X 2

Yeah, you and me, we can ride on a star, if you stay with me girl, we can rule the world.
Yeah, you and me, we can light up the sky, if you stay by my side we can rule the world.

A SKY FULL OF STARS

'Cause you're a sky, 'cause you're a sky full of stars.
I'm gonna give you my heart.

'Cause you're a sky, 'cause you're a sky full of stars.
'Cause you light up the path.

But I don't care, go on and tear me apart.
But I don't care if you do, ooh, ooh, ooh.

'Cause you're a sky, 'cause you're a sky full of stars,
I think I saw you. I think I see you.
Such a heavenly view. X 2

DON'T STOP ME NOW

Tonight I'm gonna have myself a real good time,
I feel alive. And the world it's turning inside out, yeah,
I'm floating around in ecstasy, so don't stop me now.
Don't stop.....'cause I'm having a good time, having a good time.
I'm a shooting star leaping through the sky like a tiger, defying the laws of gravity.
I'm a racing car passing by like Lady Godiva,
I'm gonna go, go, go, there's no stopping me.
I'm burning through the sky, yeah,
Two hundred degrees, that's why they call me Mister Fahrenheit.
I'm trav'ling at the speed of light,
I wanna make a supersonic man outta you.
Don't stop me now, I'm having such a good time, I'm having a ball.
Don't stop me now if you wanna have a good time, just give me a call.
Don't stop me now, don't stop me 'cause I'm having a good time
I don't wanna stop at, I don't wanna stop at,
Don't stop me, I don't wanna stop at all!
