

## EARTH MEDLEY LYRICS

### WHAT A WONDERFUL WORLD

I see trees of green, red roses too; I see them bloom for me and you, and I think to myself,  
'What a wonderful world'.

I see skies of blue and clouds of white, the bright blessed day, the dark sacred night, and I think  
to myself, 'What a wonderful world'.

The colours of the rainbow so pretty in the sky, are also on the faces of people goin' by.  
I see friends shakin' hands, sayin' 'How do you do?'  
They're really sayin' 'I love you'.

I hear babies cry, I watch them grow, they'll learn much more than I'll ever know, and I think to  
myself, 'What a wonderful world'.  
Yes I think to myself, 'What a wonderful world'.

### OCEAN WORLD

The lazy, hazy dream world of a tropic paradise,  
The thrilling, blue-green tingle of a wonder world of ice.  
The kaleidoscopic beauty of a pearl without a price,  
O the wonder of Ocean World!

A world of three dimensions and of graduated heights,  
The fast, luxurious high-life, sustained by sun and light.  
The deeply pressured low life of an endless, bitter night,  
O the wonder of Ocean World!

Ocean World! Ocean World!  
Beauty and wonder, that's life in Ocean World!

### SURFIN' USA

If ev'rybody has an ocean across the U.S.A,  
Then ev'rybody'd be surfen' like California.  
You'd see them wearin' their baggies, huarachi sandals, too.  
A bushy, bushy blonde hairdo, surfen' U.S.A.

**PART 1:** You'll catch 'em surfen' at Del Mar, Ventura County Line,  
Santa Cruz and Tressels, Australia's Narabine.  
All over Manhattan and down Doheny way.  
Ev'rybody's gone surfen', surfen' USA.

**PART 2:** Inside, outside USA X 5  
Inside, outside.

Ev'rybody's gone surfin', surfin' USA X 3  
USA!

### **THE SONG OF THE EARTH**

There lives a song in ev'ry heart if you will hear it.  
Each brings a new song at the moment of their birth.  
And if the world would only stop and learn to listen,  
Together we would hear the song of the Earth.

**PART 1:** There lives a song in ev'ry heart if you will hear it.  
Each brings a new song at the moment of their birth.  
And if the world would only stop and learn to listen,  
Together we would hear the song of the Earth.

**PART 2:** I hear a song in the mountain breeze.  
I hear it in the trees.  
And if we stop and learn to listen.  
Together we would hear the song of the Earth.  
Song of the Earth, song of the Earth.

### **AFRICA**

Doo doo doo doo doo doo bah! X 2

I hear the drums echoing tonight, but she hears only whispers of some quiet conversation.  
She's coming in twelve thirty flight, her moonlit wings reflect the stars that guide me towards  
salvation.

I stopped an old man along the way, hoping to find some long forgotten words or ancient  
melodies.

He turned to me as if to say, 'Hurry boy, it's waiting there for you.'

Oo, oo, oo, oo.

It's gonna take a lot to drag me away from you.  
There's nothing that a hundred men or more could ever do.  
I bless the rains down in Africa.  
Gonna take some time to do the things we never had.

Doo doo doo doo doo doo bah! X 2

High School Interlude - primary freestyle!

'Hurry boy, it's waiting there for you.'  
Oo, oo, oo, oo.

It's gonna take a lot to drag me away from you.

## **COLOURS OF THE WIND**

You think you own whatever land you land on.  
The earth is just a dead thing you can claim;  
But I know ev'ry rock and tree and creature,  
Has a life, has a spirit, has a name.

You think the only people who are people  
Are the people who look and think like you.  
But if you walk the footsteps of a stranger  
You'll learn things you never knew, you never knew.

Have you ever heard the wolf cry to the blue corn moon,  
Or asked the grinning bobcat why he grinned?  
Can you sing with all the voices of the mountain?  
Can you paint with all the colours of the wind?  
Can you paint with all the colours of the wind?

How high does the sycamore grow?

If you cut it down then you'll never know!

And you'll never hear the wolf cry to the blue corn moon,  
For whether we are white or copper skinned,  
We need to sing with all the voices of the mountain.  
We need to paint with all the colours of the wind.  
You can own the earth and still, all you'll own is earth until  
You can paint with all the colours of the wind.

## **MR BLUE SKY**

It's stopped rainin', ev'rybody's in a play and don't you know?  
It's a beautiful new day, Hey, hey.

Runnin' down the avenue, see how the sun shines brightly in the city,  
On the street where once was pity  
Mister Blue Sky is living here today, Hey, hey.

## TOP OF THE WORLD

Such a feelin's comin' over me,  
There is wonder in most ev'rything I see.  
Not a cloud in the sky, got the sun in my eyes;  
And I won't be surprised if it's a dream.

Ev'rything I want the world to be  
Is now coming true especially for me;  
And the reason is clear, it's because you are here.  
You're the nearest thing to heaven that I've seen.

I'm on the top of the world lookin' down on creation;  
And the only explanation I can find  
Is the love that I've found ever since you've been around.  
Your love's put me at the top of the world!

I'm on the top of the world lookin' down on creation;  
And the only explanation I can find  
Is the love that I've found ever since you've been around.  
Your love's put me at the top, put me at the top,  
Put me at the top of the world!
