

# NPA Knowledge Organiser: Year 1 Geography - Spring

**aerial view** – a view from above

**hill** – a naturally raised area of land, which is not as high as a mountain

**human geography** – features of the land that have been impacted by human activity

**map** – a drawing of a particular area such as a city, a country or a continent

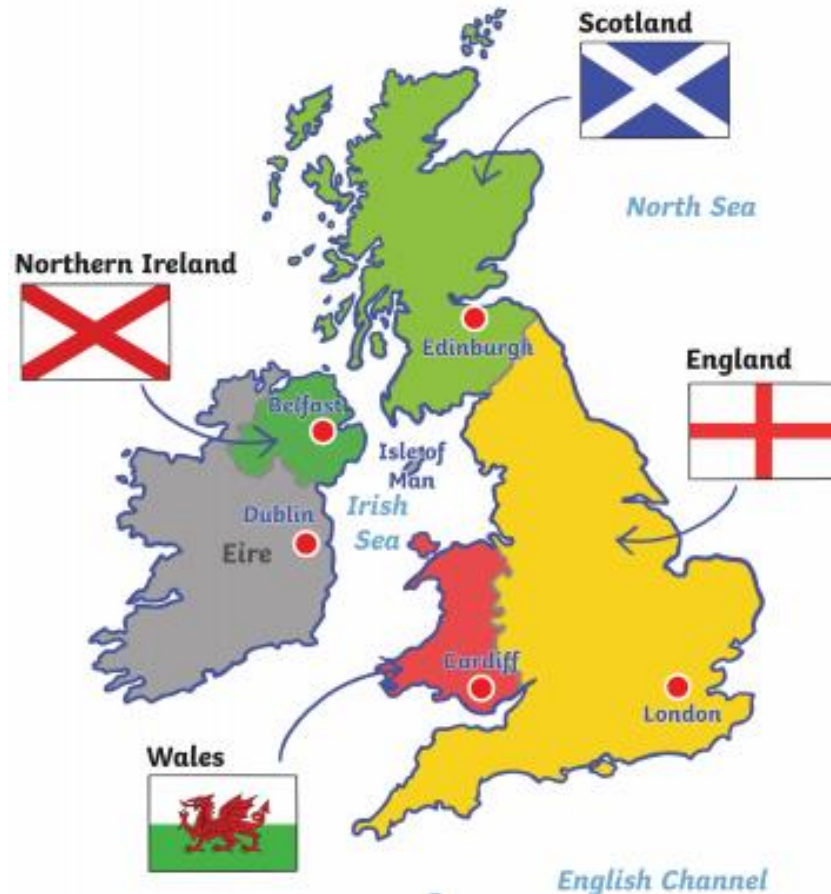

**physical geography** – natural features of land

**river** – a large, natural stream of freshwater that flows into the sea or a lake

**town** – a large group of houses, shops and buildings where people live and work. Towns are larger than villages but smaller than cities. Nantwich is a town.

## Nutty About Nantwich – United Kingdom and surrounding areas

The United Kingdom is made up of Northern Ireland, England, Scotland and Wales.

By the end of the unit, you'll be able to:

- Name the four countries of the United Kingdom
- Locate the four countries on a map of the UK
- Name and locate the surrounding seas
- Name the four capital cities
- Talk about the characteristics of each country

## Geographical skills and fieldwork

- Take a walk around Nantwich using a map to help you. What symbols are on the map? What do they mean?
- Look at an aerial view of Nantwich- what human and physical features can you identify?
- Can you draw a map that includes your house, the school and the Barony Park? Can you label your map or use symbols?
- Can you use words like near/far and right/left to describe where places are?
- Take a walk around Nantwich town square - what shops do you notice? How are they different from the market?
- Compare Nantwich and Crewe. How are they similar? How are they different?

## Human Geographical features

## Physical Geographical features
