I Dreamed a Dream

I dreamed a dream of time gone by.
When hope was high and life worth
living.

I dreamed that love would never die
I dreamed that God would be
forgiving.

STARMAKER

Here, as I watch the ships go by, I'm rooted to my shore
I keep asking myself why and if there's more on the other side

Here, as I see the friends I thought I'd made
A little bit crazy, No, and now we've outgrown one another

Star maker, dream breaker, soul taker, We're happy now

Here as I watch the tide go by, How I'd like to sail away
Leaving all my past behind but I know I'd only last for a couple days

Here stands everything I thought I'd made, It's the only life I know and I can't even
call it my own. I've got no home I belong to you my

Star maker, dream breaker, soul taker, We're happy now x2

We're so happy now

A Million Dreams

I close my eyes, and I can see, a world that's waiting up for me. That I call my own
Through the dark, through the door, through where no-one's been before, But it feels like home

*They can say, they can say it all sounds crazy. They can say they can say I've lost my mind
I don't care I don't care so call me crazy. We can live in a world of our design*

Cause' every night I lie in bed, The brightest colours fill my head

A million dreams are keeping me awake

I think of what the world would be, the vision of the one I see,

A millions dreams is all it's gonna take

Oh a million dreams for the world we're gonna make

However big, however small ,let me be part of it all, Share your dreams with me

You may be right, you may be wrong, but say that you'll bring me along.

To the world you see. To the world I close my eyes to see, I close my eyes to see

'Cause every night.....

For the world we're gonna make

Dream a Little Dream of Me

Stars shining bright above you
Night breezes seem to whisper "I love you"
Birds singing in the sycamore tree
Dream a little dream of me

Say "Night-ie night" and kiss me
Just hold me tight and tell me you'll miss me
While I'm alone and blue as can be
Dream a little dream of me

Stars fading but I linger on, dear
Still craving your kiss
I'm longing to linger till dawn, dear
Just saying this

Sweet dreams till sunbeams find you
Sweet dreams that leave all worries behind you
But in your dreams whatever they be
Dream a little dream of me

Da da da da.....
But in your dreams whatever they be
Dream a little dreamof me.... mmmm

Boulevard of Broken Dreams

I walk a lonely road
The only one that I have ever known
Don't know where it goes
But it's home to me, and I walk alone

I walk this empty street
On the Boulevard of Broken Dreams
Where the city sleeps
And I'm the only one, and I walk alone

I walk alone, I walk alone
I walk alone, I walk a-

**My shadow's the only one that walks
beside me
My shallow heart's the only thing
that's beating
Sometimes, I wish someone out
there will find me
'Til then, I walk alone**

*Ah-ah, ah-ah, ah-ah, ah-ah
Ah-ah, ah-ah, ah-ah*

I walk this empty street
On the Boulevard of Broken Dreams
Where the city sleeps
And I'm the only one, and I walk a

**My shadow's the only one that walks
beside me
My shallow heart's the only thing
that's beating
Sometimes, I wish someone out
there will find me
'Til then, I walk alone**

All I Have to Do is Dream

Dream. Dream, dream, dream
Dream. Dream, dream, dream
When I want you, in my arms
When I want you, and all your charms
Whenever I want you, all I have to do is
Dream, Dream, dream, dream

When I feel blue, in the night
And I need you, to hold me tight
Whenever I want you, all I have to do is
Dream

Please don't waste the time,

For you and I to shine

Anytime, night or day

*Only trouble is, gee whiz! I'm dreamin' my life
away...*

I need you so, that I could die
I love you so, and that is why
Whenever I want you, all I have to do is
Dream. Dream, dream, dream
Dream

Dreams (can come true)

They can come true, they, They can come true

Move a step closer, let's sing me and you,
I can tell by your smile that you want to

Just a question of time, I knew we'd sing together, and that we would shine
I want you here forever, do you hear what I'm saying?

Gotta say how I feel, I can't believe you're here, but I know that you're real
You know what I want! To sing with you
I can't deny my feeling 'cause they are true yeah

Dreams can come true
Look at me now, I'm with you
You know you gotta have hope
You know you gotta be strong x4

**Sweet dreams are made of this
Who am I to disagree
I travel the world and the seven seas
Everybody's looking for something**

**Some of them want to be you
Some of them want to be with you
Some of them want to be sung to
Some of them want to sing with you**

Sweet dreams....

Hold your head up	Keep your head up (movin' on)
Hold your head up (movin' on)	Keep your head up, (movin' on)
Hold your head up (movin' on)	Keep your head up, (movin' on)
Hold your head up (movin' on)	Keep your head up

Sweet dreams.....

Hold your head up	Keep your head up (movin' on)
Hold your head up (movin' on)	Keep your head up, (movin' on)
Hold your head up (movin' on)	Keep your head up, (movin' on)
Hold your head up (movin' on)	Keep your head up

Hold your head up ,keep your head up (movin' on)....

Sweet dreams.....

Never had a dream come true

Everybody's got something, they had to leave behind
One regret from yesterday, that just seems to grow with time

*There's no use looking back, or wondering
How it could be now or might've been
All this I know, But still I can't find ways to let you go*

**I never had a dream come true, 'Til the day that I found you
Even though I pretend that I've moved on
You'll always be here with me
I never found the words to say, You're the one I think about each day
And I know no matter where life takes me to
A part of me will always be..**

You'll always be the dream that fills my head
Yes you will, say you will, you know you will
You'll always be the one I know I'll never forget

*There's no use looking back or wondering
Because love is a strange and funny thing
No matter how hard I try and try, I just can't say good bye*

I never had a dream come true...

A part of me will always be with you

I have a dream, a song to sing
To help me cope, with anything
If you see the wonder, of a fairy tale
You can take the future, even if you fail

I believe in angels
Something good in everything I see
I believe in angels
When I know the time is right for me
I'll cross the stream, I have a dream

I have a dream, a fantasy
To help me through, reality
And my destination, makes it worth the while
Pushin' through the darkness, still another mile

I believe in angels....

I'll cross the stream, I Have a Dream

Na na na na na na

I Have a Dream

Any Dream Will Do

I closed my eyes, drew back the curtain, to see for certain
what I thought I knew

Far far away, someone was weeping, But the world was
sleeping,

Any dream will do

I wore my coat, with golden lining, Bright colours shining,
wonderful and new

And in the east, the dawn was breaking, And the world was
waking

Any dream will do

A crash of drums, a flash of light,

My golden coat flew out of sight,

The colours faded into darkness. I was left alone

May I return to the beginning, the light is dimming, and the
dream is too

The world and I, we are still waiting, still hesitating

Any dream will do, Any dream will do, Any dream will do
